To her sisters and brother, we ask you not to grieve but thank God for His goodness in relieving her and for her easy death. She said she did not want to live any longer, that life contained nothing for her and she wanted to be with her family, and requested the writer, with whom she had made her heme for over four years, to write an account of her death to the Clay City Times and send a copy to each of her sisters and brother. She died at her old home near Slade where she had reared her family and had lived 60 years. Her marriage license were the second issued in Powell county, the year 1803. She has many friends in this and adjoining counties.

Why should death be an unwelcome

Why should death be an unwelcome guest?

For we truly know it will come,
We may be young or at a ripe old age,
But no living soul this penalty can
shim.

For God has promised in words so true
That in Heaven he prepared a home
And would send his messengers here
to the earth.
And gently command us to come.

Christ will be at the river of death,
To guide us to loved ones gone
before,
If we only trust and obey his command
He will safely conduct us to the
beautiful Shore.
